# BALANCED

**2017** DAN YEFFET

## DESIGN INSPIRATION

With 'Balanced', designer Dan Yeffet quite literally strikes a balance. Not only is the silhouette a balancing act with the top off-center, so is the combination of materials, with the coolness of the glass versus the warmth of natural wood. The same goes for the juxtaposition of shapes: a plump, curvy body with a sleek, flat top. The versatility of 'Balanced', both in use and in visual appeal, is underlined by its varied colours and finishes.

LINTELOO

# BALANCED

## DESIGNED BY DAN YEFFET

Dan Yeffet lives by his motto: 'Definitions are our limits'.
No wonder that Dan's work spans the entire gamut of design. Whether it is in furniture or lighting, in product development or conceptual design, Dan enjoys exploring—and pushing—the limits of traditional craftsmanship and cutting-edge technology.
Dan was born in 1971, in Jerusalem, where he studied at Bezalel Academy before he moved to Amsterdam, graduating from the Gerrit Rietveld Academy with a BA in industrial and product design. He then set up his own studio, which he moved to Paris in 2005. His design aesthetic is simple and strong, with an innovative use of high-end materials and an amazing eye for perfection: a perfect match with Linteloo.

## SPECIFICATIONS

**Top:** Solid oak.
**Body:** Mouth-blown Murano glass.
**Origin**: Hand made in The Netherlands

## OPTIONS

**Top:** Smoked (treated with linseed oil), or stained anthracite (protected with a matt varnish).
**Body:** Tabacco or fume
**Special features:** All combinations of top and body are possible

## MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl

**Solid wood:** Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

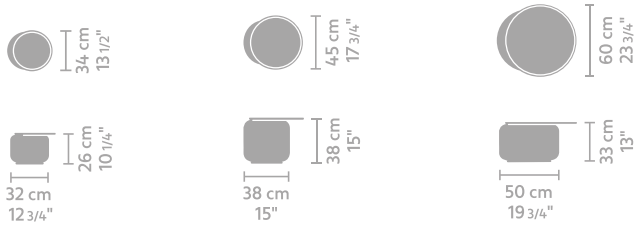

## WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt.
Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
