2015 MARCEL WOLTERINCK

DESIGN INSPIRATION

The Monte Cervino—or, if you prefer, Matterhorn—is a piece of intricate design by Mother Nature. Outlined against a clear blue winter's sky, it appears slender, elegant, almost as light as a feather. But its timeless presence will outlast everyone and everything as, underneath, it is powerful and strong. It is this juxtaposition between 'hard' and 'soft', between 'elegant' and 'sturdy' that inspired Marcel Wolterinck's Cervino series.

DESIGNED BY MARCEL WOLTERINCK

When Marcel Wolterinck opened his flower shop in Laren, the Netherlands, in 1986, little did he know he would soon be one of the prominent representatives of modern Dutch design.
His floral creations with their immediately recognizable 'Wolterinck signature', evolved into interior design projects around the world.
It will come as no surprise that Marcel loves using wood and other natural materials, celebrating their unique variations in texture and colour. His designs are sophisticated yet utterly liveable, with a strong emphasis on a sense of warmth and comfort. Marcel loves the interplay between indoor and outdoor spaces: 'I enjoy design in which the outside and inside grow together and towards each other, overlapping and connecting.'

MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl

Upholstery: Maintenance of the upholstery obviously depends on your choice of fabric or leather. As a rule of thumb, fabric upholstery—especially when removable—is easier to clean in case of spots and spills than leather. On the other hand, leather will handle regular wear and tear better, in a sense that the odd sign of use only adds to its character.
Cushions: Again, the level of maintenance depends on your choice of filling. Down/feather-filled cushions require regular plumping up and airing. But you may prefer the firmer seating experience and hypoallergenic qualities that a 100% polyester filling provides.
Legs: The occasional wipe-down with a damp cloth is all it takes.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

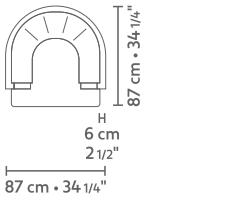

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
