DESCRIPTION

The LUNA BLACK M design mirror is a must-have, both for residential and for hospitality projects. With its stunning 150 cm-diameter, Luna has a majestic impact on any space it graces. Luna is comprised of two, easy-to-install, demi-moons optically connected by a deeper central joint. This joint incorporates a decorative black glass strip. Luna becomes an architectural, minimalist sculpture from which anything superfluous has been stripped-away. A durable, timeless mirror that adds value to any space. Luna is also available with a central LED light strip and both versions are also made in a larger size. Additionally, it can be made in custom sizes.
